NEIGHBORHOOD INTELLIGENCE, INC.

Disclosure of Amendments to the Code of Business Conduct and Ethics

On effective date of the Board consent, October 30, 2026, the Board of Directors of Neighborhood Intelligence, Inc. (the "Company") amended the Company's Code of Business Conduct and Ethics (the "Code") to:

- require that any transaction that could give rise to a conflict of interest involving a director, executive officer or Senior Financial Officer (as defined in the Code) be approved by the Board of Directors or the Audit Committee, and clarify that any such approval will not be considered a waiver of the Code;
- add a prohibition on directors, officers and employees participating or transacting in any prediction market, betting platform or similar mechanism that allows wagers or trades on the outcome of events, decisions or financial results while in possession of material non-public information about that outcome obtained in connection with their employment by or service with the Company; and
- add a prohibition on sharing confidential information or material non-public information with anyone else for use in prediction markets.

Other changes to the Code include updating the Company's name and conforming defined terms and cross-references, which are of a technical, administrative and non-substantive nature. The Code, as amended, has been posted under the Governance>Governance Documents & Charters section of the Investor Relations page of the Company's website located at https://ir.neighborhoodintelligence.com. The amendments to the Code do not result in any waiver, explicit or implicit, of any provision of the Code as in effect prior to the amendments.
